III. STATEMENT OF CLAIMS

Claim I

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

In 1986 the State of Oregon began a campaign to prevent myself from establishing a church on state forest, but refused to charge me with trespassing. Several years of harassment ensued and I was forced to leave the state and was pursued covertly, which forced me to file discrimination complaint with U.S. Office for Civil Rights and they too discriminated against myself. Since they, both Civil Rights Office and state has correct their action, but the city of Portland is using their Parks department to attack homeless people by taking the property and not enforcing laws to protect the general public. I filed suit in attempt to have the court intervene against U.S., Mexico, and Green Diamond Corp. and after doing was, in past 30 days, assaulted on street, had guns fire near myself in forest park and after I complained to Portland police, the parks department left an eviction type notice at my homeless class camp, but the police would take no report about assaults and gun fire that neighbors also told myself who was firing guns at the end of the west side of the St. Johns bridge. bottom 3 house of hispanics.

Claim II

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

the State of Oregon is pursuing a pattern of discrimination against American citizens in favor of illegal foreign nationals because of their money benefits, at the cost of all our freedom both in public and in the work place, creating a slave class and causing the death of American citizens by discrimination in public accomadation, bath room, jobs, laundry mats, libraries, housing, health care, social services.

Claim III

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

(If you have additional claims, describe them on another piece of paper, using the same outline.)

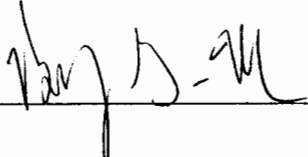

IV. RELIEF

State briefly exactly what you want the court to do for you and the amount, if any, of monetary compensation you are seeking. Make no legal arguments. Cite no cases or statutes.

Grant 1^{acre} for church, 2^{acres} school, 30 acres for Cemetery as Federal Law Allows. 1898-9 Act. Prohibit parks department from taking property of homeless, except as any law for garbage allows no survival equipment \$10,000,000 in damages to build church, school & Cemetery, because no all homeless believe in cremation, this land to be granted as asset forfeiture because of refusing to protect myself and general public against threats of violence by foreign nationals on public land even after being made aware of gun fire by neighbors & myself in forest park.

I declare under penalty of perjury that the foregoing is true and correct.

Signed this 12 day of December, 2012.
